How the Club works:

Membership provides you a choice of 2, 4, 6 or 12-bottle shipment. We ship 4-6 times a year. Thus, you will have the opportunity to sample wines, many of which are sold only at the winery. To enroll: complete, sign, and return this form (see below), then sit back and enjoy Cooper-Garrod wines throughout the year! (You may quit at any time, although we hope you stay.)

The Fine Print:

I understand I'll be automatically be billed for my club wine and applicable shipping. I further understand that title to the wine transfers to the purchaser at the winery, and I may be billed by an outside shipper. This offer is void in those states that prohibit consumer access to products of their choice and is only available to those over 21 years of age.
